

Heavy Equipment Aftermarket Parts Supply – Asset Sale

Parts Inventory to be Sold from 50-year-old Business – Top Five Supplier in the Country
Northwest Arkansas

Financials

Asking: \$1,790,000

Summary of Assets

This asset sale is the result of an enormously successful heavy equipment and machinery parts supply business that has been run by the current owner for the past fifty years. The seller is an industry veteran and IDA member who has bought and sold aftermarket parts for heavy equipment machinery all over the world since 1957. This business was one of five such independent distributors in the United States.

Highlights of the inventory and running stock to be sold include:

- ♣ Contents of 9,000+ square foot shop filled with interchangeable aftermarket parts for the following equipment manufacturers – Caterpillar, International Harvester, Allis Chalmers, Huff, Gallion, Case and John Deere.
- ♣ Contents of 5,000 square foot shop filled with equipment and tools.
- ♣ Inventory covering approximately eight acres of aftermarket parts for heavy equipment.
- ♣ Total of several hundred tons of parts inventory.
- ♣ Extensive library of parts manuals for inventory dating back to 1950. This vast collection includes extremely rare handwritten and factory cross reference manuals, some believed to be the only copies in existence.

Interested parties will be asked to sign a Confidentiality Agreement and provide proof of ability to complete the transaction.

About the Sale

Structure: This is an asset sale only.

Support/Training: Negotiable. In the event that a buyer wishes to keep the inventory on the premises and lease back property, the Seller would be willing to ensure a smooth transition. Two full-time employees would most likely be willing to stay on with a new owner/entity.
